

Website privacy policy and at the same time information for data subjects in accordance with Article 13 and Article 14 of the EU General Data Protection Regulation

General information

Details of the responsible body

Company: Saxonia Franke d.o.o.
Legal representative: Uwe Fuerst
Address: Moste 111, 4274 Zirovnica

General data processing information

Data concerned:

Personal data is only collected if you provide it to us voluntarily. No other personal data is collected. Any processing of your personal data that goes beyond the scope of the statutory permissions will only take place based on your express consent.

Purpose of processing: Performance of the contract.
Categories of recipients: Public authorities in the event of overriding legal provisions.
External service providers or other contractors.
Other external bodies insofar as the data subject has given their consent or transmission is permitted for reasons of overriding interest.
Duration of data storage: The duration of data storage depends on the legal requirements of retention obligations and is usually 10 years.

Specific information on the website

The website does not use Google Analytics, Google AdWords Conversion Tracking, social plugins of Facebook Inc., social plugins of Google Inc., or social plugins of Add This.

Use of server log files

The hosting provider automatically collects and stores information in so-called server log files, which your browser automatically transmits to us. These are:

- Browser type and browser version;
- Operating system used;
- Referrer URL;
- Host name of the accessing computer;
- Time of the server request.

This data cannot be assigned to specific persons. This data is not merged with other data sources. We reserve the right to check this data retrospectively if we become aware of specific indications of unlawful use.

Use of own "cookies"

This website uses its own "cookies" to increase user-friendliness ("cookies" are data records that are sent from the web server to the user's browser and stored there for later retrieval). No personal data is stored in our own cookies. You can generally prevent the use of cookies by prohibiting the storage of cookies in your browser.

Privacy policy for the use of Google Maps

This website uses Google Maps, which is operated by Google Inc., 1600 Amphitheatre Parkway, Mountain View, CA 94043, USA, for the purpose of displaying maps and creating routes. By using the service, the user agrees to the processing of the data collected about them by Google, its representatives, or third-party providers. The terms of use can be found on the provider's website.

Information on other data processing procedures

Specific information on the application procedure

Data concerned:	Application details.
Purpose of processing:	Implementation of the application procedure.
Categories of recipients:	Public authorities in the event of overriding legal provisions. External service providers or other contractors, e.g., for data processing and hosting. Other external bodies insofar as the data subject has given their consent or transmission is permitted for reasons of overriding interest.

Duration of data storage: Application data will be stored after notification of the decision.
The data will generally be deleted within four months, unless consent has been given for longer data storage in the context of inclusion in the applicant pool.

Specific information on the processing of customer data/prospect data

Data concerned: Data provided for the execution of the contract; if applicable, also data for processing based on your express consent.

Purpose of processing: Execution of contracts, including offers, orders, sales, invoicing, delivery bills, and quality assurance.

Categories of recipients: Public authorities in the event of overriding legal provisions.

External service providers or other contractors, e.g., for data processing and hosting, for shipping, transport and logistics, service providers for printing and sending information, and call centers.

Other external bodies insofar as the data subject has given their consent or transmission is permitted for reasons of overriding interest, e.g., for credit information for purchases on account, for electronic dispatch of information for quality assurance purposes.

Duration of data storage: The duration of data storage depends on the legal requirements of retention obligations and is usually 10 years.

Specific information on the processing of employee data

Data concerned: Data provided for the execution of the contract; if applicable, also data for processing based on your express consent.

Purpose of processing: Performance of the contract in the context of the employment relationship.

Categories of recipients: Public bodies in the event of overriding legal provisions, including the Tax Office, Social Insurance Agency, and Employers' Liability Insurance Association.

External service providers or other contractors, e.g., for data processing and hosting, for payroll accounting, for travel expense accounting, insurance benefits, and vehicle use.

Other external bodies if the data subject has given their consent or transmission is permitted for reasons of overriding interest, e.g., for insurance benefits.

Duration of data storage: The duration of data storage depends on the legal requirements of retention obligations and is usually 10 years.

Specific information on the processing of employee data

Data concerned: Data provided for the execution of the contract; if applicable, also data for processing based on your express consent.

Purpose of processing: Performance of the contract, e.g., requests, purchasing, orders, delivery bills, and quality assurance.

Categories of recipients: Public authorities in the event of overriding legal provisions, including the Tax Office and Customs.

External service providers or other contractors, e.g., for data processing, hosting, accounting, and payment processing.

Other external bodies insofar as the data subject has given their consent or transmission is permitted for reasons of overriding interest.

Duration of data storage: The duration of data storage depends on the legal requirements of retention obligations and is usually 10 years.

Further information and contacts

In addition, you can exercise your right to information, rectification, erasure, restriction of processing or to object to processing, as well as the right to data portability at any time. You can contact us by email at datasafety@saxonia-franke.si or by letter. You also have the right to contact the data protection supervisory authority if you have a complaint.
